(Smithtown, NY)... At the February General Meeting of the Suffolk County Legislature, Legislator Robert Trotta congratulated Jill Glazer, a senior at Kings Park High School, and a longtime family friend, who won first place in her category at the Long Island Psychology Fair. Her project addressed sub personality traits and self- mutilation in adolescent females. Jill conducted her research at Stony Brook University and her mentors were in the audience.

Dr. Susan Agruso, Superintendent of the Kings Park School District, also attended and noted that this is an independent research group at the school and that students work at labs around Long Island during weekends and evenings.

Legislator Trotta said, “Jill is an outstanding young lady who excels in academics, French, sports and music, as well as being editor-in-chief of her school’s newsletter. I commend her on this great achievement and know that she will do very well in pursuing her college dreams.”
