(Smithtown, NY)...Suffolk County Legislator Robert Trotta recognized Andrew Koukoulas of Boy Scout Troop 403 for achieving the rank of Eagle Scout at his recent Court of Honor. For his Eagle Scout project, Andrew built a new outdoor water fowl

enclosure for the Sweetbriar Nature Center in Smithtown. The original enclosure was destroyed by Hurricane Sandy.

Legislator Trotta presented Andrew with a proclamation at the ceremony. “This is a very proud moment for Andrew, his parents and family, as well as his troop leaders and fellow scouts. I extend my congratulations to him for being an outstanding member of the community and hope that he will remain active in his community. His accomplishment has set a high standard for commitment and dedication, which I hope will inspire the youth of our great County of Suffolk,” said Legislator Robert Trotta.
