(Smithtown, NY) Suffolk County Legislator Robert Trotta, Suffolk County Executive Steve Bellone and members of the Smithtown Chamber of Commerce welcomed Miller Ale House to Commack at a ribbon cutting ceremony. The restaurant is known for its quality food, friendly service and community support. Miller Ale is a sponsor of the youth baseball league of the Commack Little League and provided water and breakfast for the Chamber's annual 5K Bull Run.

Miller Ale House is located at 88 Veterans Memorial Highway in Commack and is open seven days a week for lunch, dinner and viewing sporting games on one of the restaurant's 67 high definition televisions.

Legislator Trotta said, "I grew up in Commack and am pleased that Miller Ale House is filling a vacancy at the King Kullen Shopping Center and is being so supportive of our local community."
