(Smithtown, NY)...Suffolk County Legislator Robert Trotta, as well as members of the East Northport and Huntington Chambers celebrated the grand opening of North Shore LIJ GoHealth Urgent Care in the Elwood Shopping Center on April 30. Every Go Health Urgent Care is linked to the North Shore-LIJ system providing access to a patient's medical records. The center has state of the art equipment, is fully staffed and open 365 days a year.

North Shore LIJ provides quality care and the residents are fortunate to have a clinic in their community where there is a minimum waiting period and a full medical team on staff," said Legislator Robert Trotta.
