Suffolk County Legislator Robert Trotta Congratulates Kings Park Intel Semifinalist Zachary Marcone

(Smithtown, NY)... Suffolk County Legislator Robert Trotta (R-Fort Salonga) presented Kings Park High School Senior, Zachary Marcone, with a proclamation recognizing his scientific accomplishments as an Intel Science Talent Search Semifinalist. The Intel Science Talent Search is America's oldest and most prestigious pre-college science competition in the nation.

In introducing Zac to the Legislature and members of the audience, Legislator Trotta noted that while Zac is still a teenager he has accomplished so much during his time in school, such as being co-captain of the Kings Park High School Math Team, founder and president of the Model United Nations Club and this year he won the highest honor of Best Delegate, co-founder of the Science Olympics, recipient of the 2015 Coca Cola Scholarship where he was chosen from a pool of 103,000 applicants, won best Position Paper Award at an MIT Conference and named Young Scholar of Math by the Institute of Creative Problem Solving and Talented Students at SUNY Old Westbury. "I am proud to have someone like Zac as a constituent and hope he is an inspiration to the youth in Kings Park, as well as throughout the great County of Suffolk," said Legislator Robert Trotta.
