(Smithtown, NY)...Suffolk County Legislator Robert Trotta (R-Fort Salonga) invited members of the Kings Park High School Math Team and their coach, Melissa Fink, to the Legislature where he congratulated them for winning the Suffolk County Division Championship. Although the team has been performing well over the last eight years and placing as one of the top three teams, this is first time they came in first. "I am very proud

of these young men and believe this achievement is a result of their hard work and team spirit, as well as a testament to the excellent education they have received as students at the Kings Park School District,” said Suffolk County Legislator Robert Trotta.
