Community Donates 435 Pounds of Pet Food and Supplies for Suffolk County Legislator Robert Trotta’s Pet Food Drive on Behalf of Long Island Cares

It’s a family affair with Legislator Robert Trotta standing with the pet food donations with his daughter, Tori, and their dog, Buddy. They are joined by Michael Haynes, Director of Government Affairs for Long Island Cares (right).

(Smithtown, NY)... Suffolk County Legislator Robert Trotta is most appreciative of the support he received from the residents who donated to his pet food drive to benefit Baxter’s Pet Pantry at Long Island Cares. In addition, many customers at the IGA Markets in Fort Salonga and East Northport contributed items to the bins stationed at the stores, as well as from Splash and Dash Pet Grooming in St. James. “Everyone was incredibly generous in donating cat and dog food/treats and bird seed, as well as other items for the pet pantry at LI Cares. I am thrilled that we collected 435 pounds, as well as a donation of \$100 from a local resident,” said Suffolk County Legislator Robert Trotta.
