Eagle Scout Mitchell Stern, Troop 75, Recognized by Suffolk County Legislator Rob Trotta

Scout Mitchell Stern (left) received a proclamation from Suffolk County Legislator Rob Trotta in recognition of attaining the rank of Eagle Scout.

(Smithtown, NY)... Mitchell Stern's scouting service started in September of 2004 as a Tiger Club and included leadership positions as he advanced to the rank of Eagle Scout. A recent graduate of Kings Park High School, where the class included a total of nine Eagle Scouts, Mitchell, his troop, family, friends and local officials celebrated this achievement at his Eagle Court of Honor on June 26.

For his Eagle Scout Community Service Project, Mitchell, with the help of his fellow scouts, built three large storage shelving units for the annex located at the Lucien Memorial United Methodist Church in Kings Park, NY.

"Becoming an Eagle Scout is a recognition that you will have for the rest of your life and it is something that cannot be taken away from you. As a scout you have done a tremendous service to your community and we appreciate all that you have done and I hope that you will continue to be active in your community while in college and upon graduation," said Suffolk County Legislator Rob Trotta.
