(Smithtown, NY)... Cub Scout Troop 326 of Smithtown came to learn about the legislative process as part of their scouting program. Suffolk County Legislators Rob Trotta and Leslie Kennedy met with the scouts and they talked about the Legislature, banning plastic bags and the Red Light Camera Program. “I think the Boy Scouts provide a great opportunity for our youth and I hope that these young men will continue with the Boy Scouts and become Eagle Scouts,” said Legislator Rob Trotta.
