APRIL 11, DEADLINE TO APPLY FOR NY RISING ASSISTANCE

Lindenhurst, NY: Recently the NY Rising program announced that they will set a deadline of April 11, 2014 to apply for individual assistance. "NY Rising is an excellent program, and it is very important that if you were affected by Hurricane Sandy that you apply before this deadline," said Suffolk County Legislator Kevin McCaffrey. "There are still many people within my district who were affected by the storm that have yet to apply for this program. I know that it can be frustrating dealing with all the red tape, but it is very important that you take full advantage of the NY Rising program to help you get back to where you were before the storm. My office has been very successful in helping people navigate this program, so if you have any problems while applying please reach out to my office at 631-854-1100 and make an appointment to come in, my staff will assist you in any way that they can."
