**Suffolk County Legislator McCaffrey Attends L.I. Urgent Care
Ribbon Cutting and Memorial Garden Dedication in West Babylon**

West Babylon, NY: Suffolk County Legislator Kevin J. McCaffrey (R – Lindenhurst) recently joined with his colleagues in state and local government, business leaders, and active members of the community, in a very special and ribbon cutting in West Babylon.

In addition to celebrating the opening of L.I. Urgent Care's new West Babylon facility, those in attendance had the opportunity to participate in a ceremony dedicating its garden to the late New York State Senator Owen Johnson. Although the location of the garden was still covered in snow and ice, in the near future, those visiting L.I. Urgent Care will soon enjoy a beautiful tribute to a very special public servant.

“The opening of L.I. Urgent Care in West Babylon will provide quality on-the-spot medical services in a convenient and welcoming location,” McCaffrey said. “It was truly heartwarming and generous that L.I Urgent Care decided to dedicate its garden to Senator Johnson, a man who deeply cared and worked for the community over many years. I wish L.I. Urgent Care the best of luck and much success, and I certainly look forward to seeing the garden in nicer weather, which cannot come soon enough.”
