“This is a great day for American Legion Post 94 and all of Suffolk County,” said McCaffrey. “As we quickly approach Memorial Day, I cannot think of a better time for this renaming to have taken place. Hopefully, seeing this street name will cause passersby to contemplate the sacrifices of our veterans and remember that freedom is not free. It was an honor to be a part of this timely ceremony and I thank everyone who made this day possible.”

According to the American Legion’s website, “The American Legion was chartered by Congress in 1919 as a patriotic veterans organization. Focusing on service to veterans, servicemembers and communities, the Legion evolved from a group of war-weary veterans of World War I into one of the most influential nonprofit groups in the United States.”
