Deer Park, NY: Suffolk County Legislator Kevin McCaffrey (R-Lindenhurst) recently honored Knights of Columbus Council 4428's 2015 "Top Cop," Police Officer Ronald Treanor, who serves in the 1st Precinct. This marked the second time that Treanor was bestowed with this high honor.

Officer Treanor earned the distinction of "Top Cop" not only because of his successful police work, but because of his extraordinary commitment to the community at large. Treanor's accomplishments as a sworn police officer are many and varied, but a couple are especially worthy of recognition.

For example, not too long ago, the Deer Park and North Babylon communities were suffering a rash of tire and rim larcenies. During a routine traffic stop, Treanor discovered tools associated with tire and rim removal in the subject's vehicle, ultimately leading to two arrests and an immediate decline in related thefts in the area. Similarly, in another traffic stop, he noticed burglary tools inside the vehicle. This discovery led to the arrest of the driver and passenger, both of whom were eventually charged with twelve commercial burglaries.

“Officer Treanor truly represents all that is great about the Suffolk County Police Department,” said McCaffrey. “Because of police officers like Ronald Treanor, all of us can sleep soundly at night. As the son, brother and father of police officers, I understand the commitment, sacrifice, and dangers associated with being on the job. I never cease to be amazed by the individuals called to this line of work.”
