West Babylon, NY: Suffolk County Legislator Kevin McCaffrey (R-Lindenhurst) recently joined with members of the West Babylon Main Street Organization (WBMO), the Town of Babylon Beautification Department, and volunteers from across the community for the WBMO's 3rd Annual Community Cleanup Day.

For the 3rd year in a row, the WBMO has distinguished itself as a leader in civic activism, and particularly, community improvement. The WBMO's success is partly attributed to its partnering with the Town of Babylon's Beautification Department, which has enabled the annual program to exponentially expand its scope and positive impact.

"An event like this really goes to the heart of what it means to be civically involved," said McCaffrey. "The volunteers are making an observable contribution to their neighborhood and building relationships with each other in the process. Although the work was quite laborious, this did not prevent anyone from having a great time in the beautiful outdoors. I can't wait to return next spring."
