LEGISLATOR MCCAFFREY ATTENDS ANNUAL SPRING BASS TOURNAMENT

Left to Right: Suffolk County Legislator Kevin McCaffrey; Jim Luttieri from Suffolk Marine; Drew Reynolds and Dave Blaker from Miller's Ale House; and Babylon Village Deputy Mayor Kevin Muldowney.

Village of Babylon, NY: Suffolk County Legislator Kevin McCaffrey (R-Lindenhurst) recently had the opportunity to attend the Suffolk Angler's 4th Annual Spring Bass Tournament. The event took place at the Village dock and was well attended by both fishers and non-fishers alike.

This year's event was sponsored by some of Long Island's most notable businesses and organizations, many of which had representatives on site to lend a helping hand. The proceeds of the Tournament will be donated to Hospice Charities which provides assistance to those suffering from terminal illnesses.

“Today’s activities were a lot of fun for all involved, and it helps a very worthwhile cause,” said McCaffrey. “Enjoying outdoor events such as this one reminds us how lucky we are to live on Long Island. Our precious marine resources provide a tremendous amount of recreation, business activity, and ecological support. We must do everything we can to ensure that these same resources are protected and available to our children and grandchildren.”

According to the Suffolk Marine Anglers’ website, this fishing event is quite unique, as most tournaments of this nature occur only in the fall months. The Tournament is quickly becoming a staple of the Village and is likely to grow in size and prestige every year.
