Deer Park, NY: On Saturday, July 25<sup>th</sup>, Suffolk County Legislator Kevin McCaffrey (R-Lindenhurst) joined with his colleagues from local government to march in the annual Suffolk County Firefighters Parade. This year's parade was hosted by the Deer Park Volunteer Fire Department, which was one of many departments to participate.

Parade spectators were treated with many exciting sights and sounds as each department rolled across to display its fire apparatus, talented musicians, and volunteers both young and old.

This spectacular event culminated at the Deer Park Fire Department's headquarters, where participants were invited to enjoy plentiful food and beverages.

"This annual parade is a remarkable tradition," said McCaffrey. "The presence of emergency service volunteers from all over Suffolk County powerfully demonstrates the spirit of community service which is clearly alive and well. Events like this offer the community a real source of pride, and it is certainly a wonderful way to recruit new talent."
