Meat Market. Suffice it to say that whether those attending came with a healthy appetite, or the desire to hear the live country music provided by “Unwined,” the event was a great success enjoyed by people of all ages.

“The Village of Lindenhurst has a lot to offer its residents, but also those who visit from the surrounding areas,” said McCaffrey. “There is a real sense of community here, and events like ‘Sunday Funday’ demonstrate that the Village of Lindenhurst is a great place to live, play, and of course, do business.”

The Village government has been working tirelessly with the Chamber in recent years to bring about more economic development to the downtown area. Keeping families in the Village and providing opportunities for the younger generations is of paramount importance for its long term economic health.

“We need to continue educating both the business community and consumers about all the possibilities that exist within the Village,” added McCaffrey. “We can certainly find a way to make the Village a more business friendly environment that simultaneously benefits all those wishing to make a life for themselves and their families here.”

In addition to “Sunday Funday,” the Lindenhurst Chamber of Commerce hosts a number of events throughout the year, including networking functions, its annual Spring Festival, and ribbon cuttings for new businesses.
