Lindenhurst, NY: Suffolk County Legislator Kevin McCaffrey (R-Lindenhurst) recently had the opportunity to visit the Rainbow Center's 2015 Annual Picnic. The picnic took place indoors at the Fireman's Memorial Pavilion, where local seniors gathered for three hours of fun.

This year's picnic, like previous ones, offered a variety of highlights to those participating. Aside from having a great lunch, attendees enjoyed the nostalgic music from the likes of Tony Grant, and some even took to the dance floor. However, the greatest attraction of all was truly the comradery of so many wonderful people from all around the greater Lindenhurst community.

"The Rainbow Center does tremendous things for our local seniors," said McCaffrey. Lindenhurst is home to many outstanding groups of people, and its seniors are certainly one of those. While some people were here with friends, the atmosphere was so friendly that I am sure many new friendships blossomed here today as well."

The Rainbow Senior Center, funded by the incorporated Village of Lindenhurst, is an organization dedicated to the well-being and quality of life of Lindenhurst's senior citizens. In

addition to holding events like their Annual Picnic, the Center offers numerous educational and recreational activities, such as its camera club and exercise sessions.

“We owe a debt of gratitude to the Rainbow Center’s Director, Barbara Paladino, for her innovative leadership, making events like this possible. Additionally, I would be remiss if I did not recognize the tireless work of Lindenhurst Mayor Tom Brennan, along with the entire Village Board, who wholeheartedly support the Rainbow Center’s mission.”

The Center’s great work continues throughout the year, with many activities already scheduled for the coming months. For those interested in learning more about the Rainbow Center’s ongoing programs and special events, they are strongly encouraged to call the Lindenhurst Community Center at 631-957-7526.
