## 2015 BLOOD DRIVES HOSTED BY LEGISLATOR KENNEDY

# GIVE BLOOD TODAY!

May 29, 2015- With the warmth of the summer season reaching its peak, the office of Suffolk County Legislator Leslie Kennedy is ready to kick off several events throughout the community! Starting Sunday, June 7<sup>th</sup>, at the Smithtown Festival Day on Main Street, Leslie Kennedy and the Office of Suffolk County's 12<sup>th</sup> Legislative District will be hosting the first of a series of blood drives that will occur throughout the community.

With blood banks at an all-time low, we encourage members of the community to help by attending and participating. Donating blood is a small task that produces immense influence; it is a great way to help out the community and save the lives of those who are in need. Other blood drives will be held throughout Suffolk County including: Centereach on June 14<sup>th</sup>, Commack on July 2<sup>nd</sup>, Lake Grove on July 9<sup>th</sup> and several others! For a complete list of all the community blood drive dates and locations see the attached flyer or go online to Legislator Leslie Kennedy's page at <http://legis.suffolkcountyny.gov/do/do12/do12.html>.

"The blood drives are one of the fundamental constituent services that as a Legislator, I am privileged to be able to bring to the community and constituent services is what being a Legislator is all about; helping the residents of Suffolk County," said Leslie. The office of the 12<sup>th</sup> Legislative District is proud to continue to host these crucial events, as helping the people of Suffolk County is of foremost importance! We look forward to meeting members of the community as well as to help benefit those in need by donating blood; please come join us and help in our efforts to ensure that we collect as much blood as possible!

If you have any questions, or need help with registration or require any other information, please contact Legislator Leslie Kennedy's office at (631) 854-3735.
