**GROUNDBREAKING MEMORIAL FOR LONGEST SERVING PRESIDING
OFFICER**

June 9th, 2015 –William J. Lindsay was Suffolk’s longest serving Presiding Officer of the County Legislature. Unfortunately he passed two years ago and has been greatly missed by his friends, family, and colleagues in the County Legislature. To honor Bill Lindsay and his service to the county, Suffolk County broke ground yesterday in order to start the William J. Lindsay Memorial.

Legislator Leslie Kennedy (R-Nesconset) was among the Legislators who attended the groundbreaking ceremony on Tuesday in front of the William H. Rogers Building. “Having worked with Bill for so many years, I can say that he was a true public servant, and regardless of political party Lindsay did what he felt was right, He will be missed, but I am proud to be part of the groundbreaking of his memorial” said Legislator Kennedy.

A new sign was installed in front of the William H. Rogers building renaming the North County Complex after William Lindsay, and construction has begun to honor our late Presiding Officer at the complex where he did most of his work.
