**LESLIE KENNEDY HONORS GIRL SCOUTS WHO STRIKE GOLD**

(Leslie Kennedy congratulates Girl Scouts upon completion of their gold award project)

June 8<sup>th</sup>, 2015 – Leslie Kennedy (R-Nesconset) bestowed honor to several hardworking Girl Scout troop members of the community at Captain Bills Restaurant in Bay Shore, NY. The high achieving young women obtained their gold award, the highest ranking achievement in the Girl Scout organization. Each girl was presented with this prestigious award after completing an individual service project that captures the essence of dedication and leadership. Through these projects, the young women take time out of their busy schedules, and devote their time in helping to improve and restore the community; they truly exemplify what it means to be a girl scout.

“The young women who earn this award exemplify the values of leadership, character, and service that are at the heart of Girl Scouting” said Leslie Kennedy. Leslie extended her prideful congratulations to each Girl Scout through an official Proclamation.
