KENNEDY OUT FOR BLOOD AGAIN

June 14th, 2015 – Legislator Leslie Kennedy (R-Nesconset) was out again for blood this weekend at the Centereach Street Fair, put together by the Middle County Chamber of Commerce and the Centereach Civic Association. Once again Leslie brought the New York Blood Center bus to the Street fair this Sunday to refill the depleted blood banks of Suffolk County. As always every participant who attempted to donate blood will be receiving two complimentary Mets tickets in the mail.

This weekend was extremely successful with 48 pints of blood gathered, the amount of blood donors overwhelmed the blood bus which eventually ran out of supplies. "I want to thank all those who donated blood, as well as the New York Blood Center phlebotomists who worked tirelessly with the high volume of blood donors that we had this weekend" said Leslie.
