US First Robotics is a national competition for High School Students, each year they are given a new game, and each year they have to build and program robots to compete in this game. "I am so pleased to see our high school students so enthusiastic about math and technology, and I am so proud of Team 263 performing so well on a national scale. I am confident that these young men and women will go on to be great engineers one day" said Leslie Kennedy

For any questions about Team 263 or other events in the area feel free to contact Leslie Kennedy's office at (631) 854-3735, and don't hesitate to reach us online at [Leslie.kennedy@suffolkcountyny.gov](mailto:Leslie.kennedy@suffolkcountyny.gov) or [facebook.com/legislatorlesliekennedy](https://www.facebook.com/legislatorlesliekennedy).
