KENNEDY KEYNOTE SPEAKER AT ARBORS GRADUATION

June 24th, 2015 – On Wednesday the Arbors Assisted Living community in Islandia hosted a graduation ceremony for their Continuing Adult Education Program. The Arbors believes that continuing education is of the utmost importance. Legislator Leslie Kennedy (R-Nesconset) had the distinct privilege of delivering the keynote address to those seniors who had completed their adult education program.

"I am proud of all of you who are graduating from the Continuing Adult Education Program, and I urge all of you to continue learning and educating yourself about new things, because wisdom is the greatest treasure one can acquire." Leslie said on Wednesday to those graduating.

Leslie also had the honor of delivering a proclamation to the Valedictorian Jennie Coccozzelli, a woman who had a career as a proofreader, and to the Salutatorian William Herold, an Army veteran who made his living as an electrician. "I am so pleased to see our seniors

doing great things even into retirement; everyone can learn something from our seniors who have such a dedication to education." said Leslie Kennedy.
