**A NIGHT OUT WITH LEGISLATOR KENNEDY**

August 4<sup>th</sup>, 2015 –Nation Night Out Against crime was hosted at Target in Commack last Tuesday evening. This was a gathering for the community to come out and meet their local law enforcement officers, as well as armed services and fire personnel. Legislator Leslie Kennedy (R-Nesconset) came out to support this effort to help law enforcement officers work more efficiently with and for the community they serve.

It was a family friendly night complete with a bounce house, a dunk tank, and finger printing for the kids. It was an excellent opportunity for the youth of the community to meet with the officers charged with protecting our safety in Suffolk County and abroad.

Leslie Kennedy met with members of the Suffolk County Police Department, Suffolk county Fire Rescue, as well as the Police Explorers, a program for the youth interested in law enforcement. "I think this is a great idea, the community and the police force need to work together to prevent crime, and our children need to know that the police are here to help them." said Leslie Kennedy.
