LITTLE ANGEL FUND GOLF OUTING

September 21, 2015 – The Little Angel Fund Inc. is a non-profit organization started by the Tranfaglia Family in order to help infants who are born prematurely and/or with serious illness. In an effort to raise money for this cause they are hosting a golf outing at Willow Creek Golf Course in Mount Sinai on Monday the 21st. The cost for golfing is \$180 per person and the money must be in by September 12th, the event will start at 11am and dinner will be served at 7pm.

“This is a great cause, we need to take care of those who are most vulnerable, those who cannot do for themselves, namely infants born with serious illness. I urge everyone who can to donate to this cause, even if you cannot spend the day golfing, please consider donating some amount to the Little Angel Fund.” said Legislator Leslie Kennedy.

In addition, Little Angel Fund needs 8 volunteers for the day of the event to help with coordinating the event.
