KENNEDY OUT FOR BLOOD AT THE NESCONSET DAY FAIR

September 13, 2015 – Legislator Leslie Kennedy (R-Nesconset) was out for blood at her seventh blood drive this year, this time she was in her home town of Nesconset at the Nesconset Day Fair. Many came out to Smithtown Boulevard to enjoy all that the fair had to offer, many also donated life-saving blood.

After last week's success at the Ronkonkoma Street Fair, Leslie had another successful blood drive with many presenting donors. "I was very happy to have another successful blood drive, there are always people in need of blood, having just commemorated the anniversary of 9/11, a time when our blood banks were depleted, we are reminded that there are always people in need of blood, and I am very thankful for all of those who have donated" said Leslie.

Legislator Kennedy's office will have their next blood drive on Sunday, September 20th at the Smithtown Historical Society's Heritage Country Fair; it will be located at 211 Middle County Road. To find out the dates and information of all of the upcoming blood drives, go online to her webpage at <http://legis.suffolkcountyny.gov/do/do12/do12.html>. Also, for any questions or comments, feel free to contact Legislator Kennedy's office directly at (631)-854-3735 or contact us on Facebook at [facebook.com/legislatorlesliekennedy](https://www.facebook.com/legislatorlesliekennedy).
