LESLIE KENNEDY AND THE NESCONSET CHAMBER ACCEPT DONATION!

(Leslie receives \$1,500 donation from the NCN)

September 13, 2015 – On Sunday, Legislator Leslie Kennedy (R-Nesconset) was joined by her husband, Suffolk County Comptroller John Kennedy, and accepted a gracious donation on behalf of the Nesconset Chamber of Commerce.

The Nesconset Center for Nursing and Rehabilitation (NCN) contributed \$1,500 to the Chamber of Commerce for their 28th annual craft fair. The NCN is a well-known and respected facility located in Nesconset that offers professional grade therapeutic care to previously hospitalized individuals.

Upon receiving the donation, Leslie thanked the NCN for their generous donation: “my appreciation for the Nesconset Center for Nursing, their work, and their

donation is endless! I cannot even express how grateful I am that the NCN was able to make this contribution. It is through groups like these that make me proud to be a part of this great community."

Because of donations from facilities like the NCN, the Nesconset Chamber is able to put together exceptional and fun-filled community events that are free for everyone to attend!
