LESLIE KENNEDY CELEBRATES WALKS FOR AUTISM

(Leslie Kennedy with DDI walk participants)

September 27th, 2015 – On Sunday, Leslie Kennedy (R-Nesconset) attended Holtsville Ecology Park for the Developmental Disabilities Institute's (DDI) annual Walk and Run for Autism.

It was a perfect Fall morning for the DDI's fundraising event; individuals all throughout Suffolk County came down to show their support and to help raise money and awareness for individuals coping with Autism.

The event featured two separate divisions: running and walking. After the conclusion of the race, participants had the opportunity to take part in a fun-filled

day that included a variety of activities. The celebration included a picnic luncheon in the park, live music, games, a small petting zoo, and much more!

Leslie expressed her joy towards the festivities and offered her support for the Autism awareness group:

“The DDI’s dedication and care has helped so much in the quest to help young people struggling with Autism. The Walk and Run is just one example of how much of a superb job they are doing in helping to improve the lives of Autistic individuals and their families.”

If you would like to learn more about the DDI, or make a donation, we encourage you to log onto their website at: www.ddiny.org

For more information about more exciting events in our area, please contact the office of Legislator Leslie Kennedy at (631)-854-3735.
