LESLIE KENNEDY HONORS FAMILIES IN SUPPORT OF TREATMENT

(Anthony Rizzuto, Leslie Kennedy, Barbara Streisand tribute, Mickey B and John M. Kennedy Jr)

September 27, 2015 – Families in Support of Treatment (FIST) is an organization to help those who are suffering with addiction, they do much work in the community to help those in need. On Sunday night they hosted their fundraiser concert, put together by Mickey B the Prince of Rock N Roll, at the Patchogue Theater in order to raise money for the organization and the good work that they do.

To honor FIST and all those involved Legislator Leslie Kennedy (R-Nesconset) presented FIST, Mickey B, and the founder of FIST Anthony Rizzuto with a proclamation recognizing them for their work in helping those with addiction.

"FIST and Anthony Rizzuto have done a great job of helping those who have addiction issues, as a nurse I have dealt with many patients who have had addiction issues and I know how hard it can be for them to recover, I am so happy to see an organization dedicated to helping addicts through their struggle." said Legislator Kennedy.

The concert was well received and included many bands paying tribute to many artists such as Neil Diamond, Barbara Streisand, and many more. All of these acts were gathered together by the Prince of Rock N Roll himself Mickey B, and it was all done for the benefit of FIST.

For more information about FIST or other local initiatives, feel free to contact the office of Legislator Leslie Kennedy at (631)-854-3735.
