LESLIE KENNEDY ATTENDS ANNUAL HARVEST DAY FESTIVAL

(Councilman Kevin LaValle, Maria Camasa, Legislator Leslie Kennedy, and Felix Wienclaw)

October 24th, 2015 – The brisk Fall weather and colorful foliage provided the perfect scenery for Lake Grove’s Annual Harvest Day Festival which took place this past Saturday. With Halloween just around the corner, the community of Lake Grove ran its yearly seasonal celebration for families and their young “trick or treaters”. Legislator Leslie Kennedy (R-Nesconset) too took part in the event’s festivities; she met with the festival’s coordinators as well as some of the local families who attended.

Children from all over the community came in costume and enjoyed the activities the event had to offer. The fair featured a Halloween costume contest, pumpkin carving/decorating, and apple hunt, hay rides, a petting zoo, refreshments, and candy giveaways of course!

After spending the afternoon with the fair attendees, Leslie commented about the fair's success.

"It is marvelous to see so many young candy crazed children enjoying the activities this great fair has to offer; there are so many wonderful hardworking people who did a great job in putting this fair together. The great turnout and all of the happy families just proves that their hard work has led to a job well done!"
