KENNEDY OUT FOR BLOOD AT POST CHRISTMAS BLOOD DRIVE

December 28, 2015 – Legislator Leslie Kennedy (R-Nesconset) was out for blood at her final blood drive of the year. This final installment of her series of blood drives was held at the Suffolk County Legislature in Hauppauge. With spirit of giving still fresh in our mind from Christmas, many people came to donate lifesaving blood.

This blood drive is the 12th of the year hosted by Legislator Leslie Kennedy and her office. Thirty-four donors presented and each donor went home with a promise to receive two Mets tickets next season as well as a coupon from McDonalds. Mama Angelina's, Chipotle, and Moe's were willing to donate food to keep the donors on their feet after they gave blood. "Thanks to all the donors who took the time to donate blood, all of you helped to save a life today, I look forward to hosting more blood drives next year." said Leslie Kennedy, "I also want to thank New York Blood Center and all their help this year and a special thanks to Chipotle, Mama Angelina's and Moe's who all donated food to the cause."
