KENNEDY HOSTS LOCAL CUB SCOUTS AT LEGISLATURE

(Legislator Leslie Kennedy, Clerk of the Legislature Jason A. Richberg, and the members of Pack 326)

February 26, 2016 – Legislator Leslie Kennedy (R-Nesconset) was proud to host Cub Scouts of Smithtown in a mock lawmaking session at the Suffolk County Legislature. Previously delayed due to inclement weather, the mock legislative session gave thirteen scouts of Pack 326 a chance to play a part in the county legislature and personally experience Suffolk County's lawmaking process.

"These scouts will soon become the next generation of Legislators, Congressmen and Presidents," Legislator Kennedy stated. "I hope that this experience shows them that anybody can be involved in local government and inspires them to remain involved with the community in the future."

For information on other community events feel free to contact Legislator Kennedy's office directly at (631)-854-3735 or contact us on Facebook at [facebook.com/legislatorlesliekennedy](https://www.facebook.com/legislatorlesliekennedy).
