**LESLIE KENNEDY MEETS WITH CENTEREACH FIREFIGHTERS**

(Leslie Kennedy with members of the Centereach Fire Department)

**June 5<sup>th</sup>, 2016** – This past Sunday Legislator Leslie Kennedy (R-Nesconset) met with military veterans at the Centereach Fire Department Veteran’s Breakfast to recognize several firefighters who have served their community and their country.

The ceremony took place at the Centereach Fire Department. Both active and retired firefighters were honored with special certificates and commemorative pins in recognition for their service and dedication in the protection of the community. These noble men were also recognized for their service to the Country as Veterans.

Legislator Kennedy was incredibly proud to be amongst some of the most honorable volunteer firefighters in Suffolk County. During the Breakfast she offered her praise for their dedication to service:

"I am very grateful to have been able to recognize these men for their service to our community and to this country. On behalf of Suffolk County, I thank them for all they have done to serve and protect us. I am proud to be giving these incredible men their awards today."
