LAKE GROVE BLOOD DRIVE A SUCCESS

 **New York** Blood Center

(Leslie Kennedy with Councilman Kevin LaValle)

June 27, 2016 – On Monday afternoon Legislator Leslie Kennedy (R-Nesconset) with Councilman Kevin LaValle (R-Selden) and Mayor Robert Scottaline hosted a blood drive to refill the depleted blood banks here in Suffolk County. All those who were gracious enough to give blood received two free Mets tickets to go see last Year's National League Champs play at Citi Field.

Though it was a humid day in late June many caring donors took the time out of their busy day to donate lifesaving blood. Through the course of the day New York Blood Services was able to collect forty-seven pints of blood with a total of fifty-five donors screened. New York Blood Services

dutifully handled the large amount of blood donations and took care of each donor in order to make the process go smoothly.

“Thank you to all Lake Grove residents that came down to our blood drive and gave the gift of life. I also want to thank Councilman Kevin LaValle, Mayor Robert Scottaline, and New York Blood Center for making this all possible” said Legislator Kennedy.

Legislator Kennedy’s next blood drive will be on Thursday, July 7th at 200 Burr Road, Commack from 3 p.m. to 8:30 p.m. For information on upcoming blood drives or other community events feel free to contact Legislator Kennedy’s office directly at (631)-854-3735 or contact us on Facebook at facebook.com/legislatorlesliekennedy.
