SUFFOLK COUNTY LEGISLATIVE PAGE GRADUATION

(Legislator Leslie Kennedy with Pages Roman Berger, Maria Massimo, and Stephen Mott)

August 3rd, 2016 – The culmination of the Suffolk County Legislative Page program came last Wednesday with the page program graduation. This summer the Suffolk County Legislature and in particular the Legislature Clerk's office ran the page program. This program consists of an internship mixed with mock legislature; students play the role of legislator and learn how the legislative process works on a county level, while helping legislators several times a week with their day to day duties in the office.

From Legislator Kennedy's (R-Nesconset) office both Maria Massimo and Stephen Mott graduated from the program. Stephen is going into his sophomore year at SUNY Geneseo and he hopes to study law after his undergraduate career. Maria is going into her junior year at Villanova University and also hopes to study law; she has an interest in

international politics and hopes to work in that realm one day. "Both Maria and Stephen have been wonderful additions to my office, they have helped me out a lot and have been working side by side with my Aides. I hope they have learned a good deal about constituent services and they will be greatly missed when they go back to school this fall. I want to thank all those who have worked to make this program available for our young students who reside in Suffolk County." said Legislator Kennedy

For any questions about this program or if you have other questions, feel free to contact Leslie Kennedy's office at (631) 854-3735, and don't hesitate to reach us online at Leslie.kennedy@suffolkcountyny.gov or [facebook.com/legislatorlesliekennedy](https://www.facebook.com/legislatorlesliekennedy).
