LEGISLATOR KENNEDY CLEANS UP THE LAKE

(Comptroller John Kennedy and Legislator Leslie Kennedy Cleaning the Lake Shore)

August 27th, 2016 – Last Saturday Legislator Leslie Kennedy and a group of over fifty volunteers gathered on the shores of Lake Ronkonkoma on the Islip side to begin to clean up the lake. Frustrated with the state of the lake shore and frustrated by the condition of the lake, residents have organized a group of motivated citizens to clean the beach. The group was able to clear a lot of the debris, including man-made trash as well as some tree branches and other natural debris.

“For as long as I can remember the lake has had its issues, it is finally time that we stand up and do something about the state of this lake. My hope is that we can start working to get this Lake and its shore line back to the way it once was.” said Legislator Leslie Kennedy. “I am very proud of the work that these volunteers have done, and I am happy to help them with their task.”
