**CENTEREACH DAY BLOOD DRIVE**

 **New York** Blood Center

(Leslie Kennedy with the Centereach Civic Association)

September 18, 2016 – This past Sunday, with unseasonably humid weather, the people of Centereach came out for the Centereach Day Street fair. Legislator Leslie Kennedy (R-Nesconset) was caught at the scene red handed, that is, she was out again on her campaign for blood with the New York Blood Center Blood bus. All those who presented to donate are guaranteed a pair of Mets tickets to go see last year's National League Champions play at Citi Field.

(Legislator Leslie Kennedy and Comptroller John Kennedy with New York Blood Center phlebotomists)

With New York Blood Services staff working as hard as they could, 45 donors were screened. Over the course of the year, Leslie Kennedy has brought in a total of 335 pints of blood, with more blood drives to come before the end of the year and more blood to be collected. "I want to thank the hard working phlebotomists who labored diligently all day in the blood bus. I also want to thank all donors who took the time out of their Sunday to donate life-saving blood.," said Legislator Kennedy.

Legislator Leslie Kennedy's next blood drive will be on Sunday, September 25th at St. James Day on Lake Avenue between Woodlawn and Railroad Avenue 11 a.m. to 5 p.m. For information on upcoming blood drives or other community events feel free to contact Legislator Kennedy's office directly at (631)-854-3735 or contact us on Facebook at [facebook.com/legislatorlesliekennedy](https://www.facebook.com/legislatorlesliekennedy).
