Dear Editor,

In recognition of National Women's History Month, I will be hosting the 4<sup>th</sup> Annual Women's Health & Information Fair on Thursday, March 26<sup>th</sup> from 3 to 7 PM at the Dolan Family Health Center, 284 Pulaski Road, Greenlawn.

This free event will host representatives from 25 agencies providing vital information to women of all ages about issues relating to health, safety, self-esteem, legal matters, business, housing, self-defense, and much more.

The celebration of Women's History Month is an opportunity to pay tribute to the generations of trailblazing women who defined their place in history. Their bravery stirred our country to make great strides towards women's equality, a movement that we must continue.

Knowledge is power. I encourage all women to become empowered by attending the Fair. I hope to see you on March 26<sup>th</sup>!
