County Officials to Announce Innovative Tech Tool to Meet Community Needs *21st Century Public Safety Pilot Program Coming to Huntington Station*

This Friday, Suffolk County Legislator William R. Spencer, M.D and other officials will announce plans to utilize cutting-edge technology in Huntington Station! In coordination with *Applied DNA Sciences*, an international company based in Suffolk County, law enforcement will be provided with a new, highly technical tool to continue enhancing community safety. When tested in cities such as London and Stockholm, this technology has proven to have outstanding results.

WHO: Suffolk County Executive Steve Bellone
Suffolk County Legislator William R. Spencer, M.D.
Presiding Officer DuWayne Gregory
Suffolk County Legislator Steve Stern
Assemblyman Andrew Raia
