Suffolk Officer Honored for Lifesaving Measures

Hauppauge, NY - At the December 15th General Meeting, Legislator William R. Spencer, M.D. and Legislator Robert Trotta presented Suffolk County Police Officer Brian Nortillo with a proclamation for taking heroic and lifesaving action when he performed CPR on his father-in-law.

On September 23, 2015, while at his Smithtown home, Mr. Holub went into cardiac arrest due to complications from chemotherapy. Officer Nortillo worked to revive his father-in-law for more than 20 minutes until the police and EMS arrived with advanced life support. Miraculously, he sustained little to no deficits from the incident and is on the road to recovery.

“Officer Brian Nortillo is a fine example of the Suffolk County Police Department and we are all proud of his outstanding service.” said Legislator Spencer. “By remaining calm and utilizing his expertise and training as an officer, he persistently administered first-rate emergency care which saved a life.”
