V. NEW BUSINESS

A. FORMAL APPROVAL – CONNECTION/CONSTRUCTION AGREEMENT

BROOKHAVEN EXECUTIVE CENTER

(BR-1693)

This project is an existing Ten (10) office building subdivision, situated on a 15± acre parcel in Medford. The developer is requesting the time extension for the previously approved connection of 12,700 gallons per day as well as formal approval to connect an additional Five Hundred Sixty-Eight (568) gallons per day of flow to the existing Blue Ridge Wastewater Treatment Plant (WWTP), for a total of Thirteen Thousand Two Hundred Sixty-Eight (13,268) gpd. As per the project engineer, it will be determined that the capacity is available in the wastewater treatment plant.

There is no Suffolk County Sewer District in the vicinity of this project and Staff recommends granting both the request for time extension and Formal Approval for the aforementioned additional flow for connection to the existing on-site WWTP, provided that the engineer demonstrates that the capacity at the said treatment plant is available.

SUFFOLK COUNTY SEWER AGENCY

RESOLUTION NO. __ - 2017

AUTHORIZING THE CONNECTION OF BROOKHAVEN EXECUTIVE CENTER (BR-1693) TO THE BLUE RIDGE HOMEOWNERS ASSOCIATION WASTEWATER TREATMENT PLANT

WHEREAS, Brookhaven Executive Center is an existing commercial/office park in Medford, New York, on property identified on the Suffolk County Tax Maps as District 0200, Section 606.00, Block 02.00, Lot 001.000, and

WHEREAS, there is no Suffolk County Sewer District, or any other municipal sewer district in the vicinity of Brookhaven Executive Center to serve the development's sanitary needs, and

WHEREAS, there is a wastewater treatment plant (WWTP) at the Blue Ridge Condominium development complex (the "Blue Ridge Plant"), which is sufficiently close to Brookhaven Executive Center to permit the connection of the project thereto, and

WHEREAS, this Agency has been advised by the engineering firm, that after a complete study, it will be determined that the Blue Ridge Plant has sufficient capacity to accept the sewage which is expected to emanate from Brookhaven Executive Center, and

WHEREAS, Brookhaven Executive Center was approved by this Agency to connect the Twelve Thousand Seven Hundred gallons per day (12,700 GPD) of flow to the Blue Ridge Plant on November 16, 2015 (Resolution 37-2015) and that approval expired on November 16, 2016, and

WHEREAS, the owner of the Brookhaven Executive Center has applied for both the time extension of the Formal Approval granted in Resolution 37-2015 and the Formal Approval to discharge an additional Five Hundred Sixty-Eight gallons per day (568 GPD) to the Blue Ridge Plant, bringing the total proposed flow from this project to Thirteen Thousand Two Hundred Sixty-Eight gallons per day (13,268 GPD), and

WHEREAS, this Agency has been advised that the owner of the Plant is receptive to the connection of Brookhaven Executive Center to the Blue Ridge Plant, and

WHEREAS, the connection of Brookhaven Executive Center to the Blue Ridge Plant will be environmentally beneficial to Suffolk County, and

WHEREAS, this Agency has determined that the Thirteen Thousand Two Hundred Sixty-Eight gallons per day (13,268 GPD) of sanitary sewage generated by Brookhaven Executive Center shall be treated at the Blue Ridge Plant, and

WHEREAS, Pursuant to Title 6 NYCRR Part 617.5(c) (11) and (20), this project involves the extension of utility distribution facilities, including gas, electric, telephone, cable, water and sewer connections to render service in approved subdivisions or in connection with any action on this list; and routine or continuing agency administration and management, not including new programs or major reordering of priorities that may affect the environment. No further action under SEQRA should be taken by the Sewer Agency, and

NOW, THEREFORE, IT IS

1st RESOLVED, that the SEQRA requirement for Brookhaven Executive Center have been met, and requires no further action, now, therefore, be it further

2nd RESOLVED, that the said application be approved subject to the execution of an agreement between the owner of Brookhaven Executive Center, the Suffolk County Department of Public Works, the Suffolk County Department of Health Services, the County of Suffolk and this Agency, on such terms as the Chairman of this Agency shall determine, including, but not limited to, the following:

1. The owner shall, at its sole cost, expense and effort, construct a complete sewage collection system for the project in accordance with Agency standards and shall offer to dedicate the said facility to the Agency at no charge;

2. No Certificate of Occupancy shall be issued for any of the units in the project until the sewage collection system has been completed, and is operating, to the satisfaction of this Agency's staff;

3. The developer shall post a Letter of Credit, in form, wording and amount as determined by this Agency's staff, as security for the performance of all of the developer's obligations under the said agreement;

4. The developer shall furnish a copy of the agreement between Brookhaven Executive Center and the owners of the Blue Ridge Plant for review and approval;

and be it further

3rd RESOLVED, that this resolution shall become null and void, and of no further force or effect, without any further action by this Agency or notice to the developers of Brookhaven Executive Center if, within one (1) year from the date of the adoption hereof, an agreement in furtherance of the authorization granted herein, in form and content satisfactory to the Chairman of this Agency, has not been negotiated and fully executed by all parties thereto.

RESOLUTION NO. ___ - 2017, GRANTING CONCEPTUAL CERTIFICATION FOR THE CONNECTION OF SETAUKET MEADOWS IN THE WOODS (BR-1709) TO SUFFOLK SEWER DISTRICT NO. 1 – PORT JEFFERSON

WHEREAS, Setauket Meadows in the Woods is a proposed Ninety-Two (92) unit Planned Retirement Community situated in Setauket, New York, on property identified on the Suffolk County Tax Map as District 0200, Section 135.00, Block 0400, Lots 003.000, 004.005 and Section 136.00, Block 0100, Lot 001.001 and Section 158.00, Block 0400, Lot 013.001, and

WHEREAS, the sewage flow from Setauket Meadows in the Woods is expected to be Fourteen Thousand Four Hundred Ninety gallons per day (14,490 GPD), and

WHEREAS, Setauket Meadows in the Woods is not located within the boundaries of Suffolk County Sewer District No. 1 – Port Jefferson (the "District"), or within the boundaries of any other municipal sewer district, and

WHEREAS, Setauket Meadows in the Woods has applied to this Agency for permission to connect its Fourteen Thousand Four Hundred Ninety gallons per day (14,490 GPD), of flow to the sanitary sewerage facilities of the District, and

WHEREAS, the District's sewage treatment plant has sufficient capacity to accept the proposed flow of Fourteen Thousand Four Hundred Ninety gallons per day (14,490 GPD), which is expected to emanate from Setauket Meadows in the Woods, and

WHEREAS, the connection of Setauket Meadows in the Woods to the District will be financially beneficial to the District, and environmentally beneficial to Suffolk County, and

WHEREAS, inasmuch as the SEQRA process for the aforesaid connection has not been completed, this Agency cannot, at this time, approve the said connection, and

WHEREAS, in the interest of good planning, and in order to minimize potential hardship on applicants, it is the policy of this Agency, upon review of an application prior to the completion of the SEQRA process, to give applicants an indication of what method of wastewater disposal this Agency would like to see for a particular project, thereby giving applicants an indication of the action that this Agency might take if it were to pass upon the application at the time of such review, and

NOW, THEREFORE, IT IS

1st RESOLVED, that this Agency hereby grants "Conceptual Certification" to the proposed connection of Setauket Meadows in the Woods to SCSD No. 1– Port Jefferson, as aforesaid, and it is further

2nd RESOLVED, that this resolution shall become null and void, and of no further force or effect, without any further action by this Agency or notice to the developer of Setauket Meadows in the Woods, within two (2) years from the date of the adoption hereof if an application for Formal Approval in form and content satisfactory to the Chairman of this Agency, has not been submitted for consideration.

3rd RESOLVED, that

1. such conceptual certification is not, and is not to be construed as, final approval, which can only be granted by this Agency after the SEQRA process for the proposed connection has been completed;
2. the applicant shall return to this Agency for such final approval;
3. the granting of conceptual certification as set forth herein shall not be binding upon this Agency when final approval is sought; and
4. the granting of conceptual certification does not constitute a position by this Agency, favorable or otherwise, with respect to local land use, zoning and/or subdivision requirements.

(Suffolk County Sewer Agency Meeting March 13, 2017)

This project is a proposed Phase II of the retail shopping center subdivision situated on 13.3± acres at the northwest corner of the intersection of NYS Route 112 and Pine Road in Coram. Phase I of this retail shopping center (fast food restaurant and retail store; BR-1664.1) received formal approval of the Sewer Agency on December 21, 2015 and time extension on December 19, 2016 for a separately allocated capacity of 2,858 gpd.

The Phase II subdivision is expected to generate an additional One Thousand Five Hundred Eighty-One gallons per day (1,581 GPD) of wastewater flow and the developer requests Conceptual Certification for the connection to Sewer District No. 11 – Selden. The capacity is currently available in the District.

Staff recommends granting Conceptual Certification of the connection to the District.

This project is a proposed 100 unit Planned Retirement Community (PRC) situated on 17± acres located in the vicinity of Canal Road and Plymouth Avenue in Mount Sinai. The project received Sewer Agency approval at the December 19, 2005, meeting in conjunction with the Plymouth Estates (BR-1378). While the Connection Agreement for the Plymouth Estates project moved forward, the agreement for Pond View Estates was never completed. The project subsequently received conceptual certification at the August 19, 2013 Agency meeting which expired two years later.

This project is expected to generate Twenty-Two Thousand Five Hundred (22,500) gallons per day of wastewater, of which Ten Thousand Six Hundred Twenty-Seven (10,627) gallons per day had been previously purchased. The developer seeks approval to connect the redesigned original Pond View Estates project to SCSD #11 – Selden.

Capacity is currently available in the District and Staff recommends granting Conceptual Certification for the additional capacity required (11,873 GPD).

SUFFOLK COUNTY SEWER AGENCY

**RESOLUTION NO: - 2017
AUTHORIZING CONCEPTUAL CERTIFICATION
FOR THE CONNECTION OF
POND VIEW ESTATES (BR-1378.1)
TO SUFFOLK COUNTY SEWER DISTRICT NO. 11 – SELDEN**

WHEREAS, Pond View Estates is a proposed 100 unit Planned Retirement Community (PRC), situated at the intersection of Canal Road and Plymouth Avenue in Mount Sinai, New York, on property identified on the Suffolk County Tax Map as District 0200, Section 232.00, Block 02.00, Lot 004.001, and

WHEREAS, Pond View Estates is not located within the boundaries of Suffolk County Sewer District No. 11 – Selden (the "District"), or within the boundaries of any other municipal sewer district, and

WHEREAS, the sewage flow from Pond View Estates is expected to be Twenty-Two Thousand Five Hundred gallons per day (22,500 GPD), and

WHEREAS, Pond View Estates has previously purchased Ten Thousand Six Hundred Twenty-Seven (10,627) gallons per day, and therefore requires an additional Eleven Thousand Eight Hundred Seventy-Three gallons (11,873) per day from the resources of the District, and

WHEREAS, the developer has applied to this Agency for permission to connect its Twenty-Two Thousand Five Hundred gallons per day (22,500 GPD) of flow to the sanitary sewerage facilities of the District, and

WHEREAS, the District's sewage treatment plant has sufficient capacity to accept the proposed flow of Twenty-Two Thousand Five Hundred gallons per day (22,500 GPD) which is expected to emanate from Pond View Estates, and

WHEREAS, the connection of Pond View Estates to the District will be financially beneficial to the District, and environmentally beneficial to Suffolk County, and

WHEREAS, in the interest of good planning, and in order to minimize potential hardship on applicants, it is the policy of this Agency, upon review of an application prior to the completion of the SEQRA process, to give applicants an indication of what method of wastewater disposal this Agency would like to see for a particular project, thereby giving applicants an indication of the action that this Agency might take if it were to pass upon the application at the time of such review, and

WHEREAS, in furtherance of such policy, this Agency is desirous of giving the developer of Pond View Estates an indication of the action that this Agency might take regarding the proposed connection if the SEQRA process had been completed,

NOW, THEREFORE, IT IS

1st RESOLVED, that this Agency hereby grants "Conceptual Certification" to the proposed connection of Pond View Estates to SCSD No. 11 – Selden, as aforesaid, and it is further

2nd RESOLVED, that this resolution shall become null and void, and of no further force or effect, without any further action by this Agency or notice to the developer of Pond View Estates, within two (2) years from the date of the adoption hereof if an application for Formal Approval in form and content satisfactory to the Chairman of this Agency, has not been submitted for consideration, and it is further

3rd RESOLVED, that

1. such conceptual certification is not, and is not to be construed as, final approval, which can only be granted by this Agency after the SEQRA process for the proposed connection has been completed;

2. the applicant shall return to this Agency for such final approval;

3. the granting of conceptual certification as set forth herein shall not be binding upon this Agency when final approval is sought; and

4. the granting of conceptual certification does not constitute a position by this Agency, favorable or otherwise, with respect to local land use, zoning and/or subdivision requirements.

5. this conceptual approval is based on the current connection fee rate of \$30.00 per gallon per day. Should the project not be formally approved by this Agency within the two year period, the then current connection fee rate as approved by the Suffolk County Legislature shall apply.

Woodhaven Center of Care is an existing nursing home with 143 beds and an assisted living facility with 181 beds with an existing Sewage Treatment Plant situated on 8.0± acres on NYS Route 112, in Port Jefferson Station.

The existing 70,000 GPD STP is under an Order on Consent and the owners of the nursing home previously (in February 2013) obtained a conceptual certification from the Sewer Agency to build a “regional” Wastewater Treatment Plant capable of treating 250,000 GPD to replace the existing STP and to service the adjacent property in the area.

The aforementioned conceptual certification expired in February 2015 and the owners are currently proposing to abandon the on-site sewage treatment plant and build a pump station and force main to connect Forty-One Thousand Three Hundred Sixty gallons per day (41,360 GPD) to SCSD No. 11 – Selden.

The capacity is currently available in the District and Staff recommends granting the Conceptual Certification for connection to the Sewer District No. 11 – Selden.
