

Suffolk County Office for People with Disabilities

September 23, 2022

#### NOTICE TO SCAT PARATRANSIT RIDERS

The Suffolk County Office for People with Disabilities is continuing to accept and process SCAT applications, both new and recertifications. SCAT cards which are scheduled to expire between now and the end of the year will continue to be recognized and extended through December 31, 2022.

Effective immediately, the Office for People with Disabilities will not be issuing SCAT cards (the pink cards) to new applicants and to those users who are reapplying. Instead, we will send an eligibility letter which will contain the date your eligibility for SCAT will expire. Existing cards will continue to be recognized. If asked for identification by a driver, please use your photo ID.
