

Mar. 2023

Our Mission

Smart Start Suffolk is a county-wide, early childhood initiative led by County Executive Steve Bellone that addresses all aspects of a child's development through the collaboration of intergovernmental agencies and community partners. Smart Start Suffolk streamlines access to resources in an effort to increase awareness and accessibility for all constituents.

March is
Trisomy
Awareness
Month!

Calendar

Positive Discipline
with Maxine
(virtual)

Wednesday, March 15, 2023 @ 8:00 PM

Join us for open conversations about living with toddlers! These 45-minute question and answer sessions are for parents and other caregivers of toddlers (children between 12-36 months of age.)
