RE: Proposed Suffolk County Wetland Restoration – Smith Point North County Park, Town of Brookhaven

At its August 16, 2017 meeting, the CEQ reviewed the above referenced matter. Pursuant to Chapter 450 of the Suffolk County Code, and based on the information received, as well as that given in a presentation by Thomas Iwanejko, Vector Control Director, Suffolk County Department of Public Works, the Council advises the Suffolk County Legislature and County Executive, in CEQ Resolution No. 36-2017, a copy of which is attached, that the proposed project be considered a Type I Action under SEQRA that will not have significant adverse impacts on the environment.

If the Legislature concurs with the Council on Environmental Quality's recommendation that the project will not have a significant adverse impact on the environment, the Presiding Officer should cause to be brought before the Legislature for a vote, a resolution determining that the proposed action is a Type I Action pursuant to SEQRA that will not have significant adverse impacts on the environment (negative declaration). However, if the Legislature has further environmental concerns regarding this project and needs additional information, the Presiding Officer should remand the case back to the initiating unit for the necessary changes to the project and EAF or submit a resolution authorizing the initiating unit to prepare a draft supplemental environmental impact statement (positive declaration).

Enclosed for your information is a copy of CEQ Resolution No. 36-2017 which sets forth the Council's recommendations. The project EAF and supporting documentation can be viewed online at <http://www.suffolkcountyny.gov/Departments/Planning/Boards/CouncilonEnvironmentalQuality>.

CEQ RESOLUTION NO. 36-2017, RECOMMENDATION CONCERNING A SEQRA CLASSIFICATION AND DETERMINATION FOR THE PURPOSES OF CHAPTER 450 OF THE SUFFOLK COUNTY CODE FOR THE PROPOSED SUFFOLK COUNTY WETLAND RESTORATION – SMITH POINT NORTH COUNTY PARK, TOWN OF BROOKHAVEN

WHEREAS, at its August 16, 2017 meeting, the Suffolk County Council on Environmental Quality (CEQ) reviewed the EAF and associated information submitted by the Suffolk County Department of Public Works; and

WHEREAS, a presentation regarding the project was given at the meeting by Thomas Iwanejko, Vector Control Director, Suffolk County Department of Public Works; and

WHEREAS, the project involves marsh restoration at the Smith Point North County Park; and

WHEREAS, the proposed marsh restoration involves improving the existing degraded marsh ditch features by strategically filling them with local material and coir logs and creating naturalized tidal channels (i.e. meandering runnels cut to slope) to improve tidal exchange between the bay and the marsh interior; and

WHEREAS, the proposed project also involves the creation of micropools connected to tidal channels to enhance natural conditions and to control marsh mosquito species; and

WHEREAS, the proposed project is part of an overall integrated marsh management plan which was evaluated as part of Suffolk County Vector Control and Wetlands Management Long Term Plan (Long Term Plan); and

WHEREAS, Suffolk County, as SEQRA Lead Agency for the Long Term Plan, completed a Generic Environmental Impact Statement for said Plan and on March 22, 2007 adopted a SEQRA Findings Statement; and

WHEREAS, said Findings Statement identified 15 wetlands management Best Management Practices (BMPs) that could be conducted in coastal marshes to further mosquito control purposes; and

WHEREAS, BMPs 1-4 were identified as ongoing marsh maintenance activities which do not require additional environmental review while BMPs 5-15 were identified as more intensive marsh management practices which do require additional environmental review; and

WHEREAS, the proposed marsh restoration project at Smith Point County Park involves BMPs which in accordance with the Long Term Plan Findings Statement require the completion of an Expanded Environmental Assessment Form and a SEQRA determination of significance by the Suffolk County Legislature; now, therefore, be it

1st RESOLVED, that based on the information received and presented, a quorum of the CEQ hereby recommends to the Suffolk County Legislature and County Executive that the proposed activity be classified as a Type I Action under the provisions of Title 6 NYCRR Part 617 and Chapter 450 of the Suffolk County Code; and, be it further

2nd RESOLVED, that based on the information received, a quorum of the CEQ recommends to the Suffolk County Legislature and County Executive, pursuant to Title 6 NYCRR Part 617 and Chapter 450 of the Suffolk County Code, that the proposed project will not have significant adverse impacts on the environment for the following reasons:

1. The proposed action will not exceed any of the criteria in 6 N.Y.C.R.R. § 617.7, which sets forth thresholds for determining significant adverse impacts on the environment, as demonstrated in the Environmental Assessment Form;
2. The proposal does not significantly threaten any unique or highly valuable environmental or cultural resources as identified in or regulated by the Environmental Conservation Law of the State of New York or the Suffolk County Charter and Code;
3. All necessary permits/approvals will be obtained from all applicable State, County, and Town regulatory agencies prior to the commencement of project construction;
4. The proposed project is part of an overall Suffolk County integrated marsh management plan which was evaluated as part of Suffolk County Vector Control and Wetlands Management Long Term Plan and the Long Term Plan's Generic Environmental Impact Statement;
5. The proposed project will help improve the functioning and long term viability of the Smith Point North County Park tidal wetlands/marsh system;
6. The proposed project is anticipated to reduce the number of mosquitos breeding in the Smith Point North County Park marsh area and as a result the need for vector control mosquito spraying in the marsh area;

3rd RESOLVED, that it is the recommendation of the Council that the Legislature and County Executive adopt a SEQRA determination of non-significance (negative declaration) pursuant to Title 6 NYCRR Part 617.10(d)(3).

RE: Proposed Suffolk County Wetland Restoration –Gardiner’s County Park – East & West,
Town of Islip

At its August 16, 2017 meeting, the CEQ reviewed the above referenced matter. Pursuant to Chapter 450 of the Suffolk County Code, and based on the information received, as well as that given in a presentation by Thomas Iwanejko, Vector Control Director, Suffolk County Department of Public Works, the Council advises the Suffolk County Legislature and County Executive, in CEQ Resolution No. 37-2017, a copy of which is attached, that the proposed project be considered a Type I Action under SEQRA that will not have significant adverse impacts on the environment.

If the Legislature concurs with the Council on Environmental Quality's recommendation that the project will not have a significant adverse impact on the environment, the Presiding Officer should cause to be brought before the Legislature for a vote, a resolution determining that the proposed action is a Type I Action pursuant to SEQRA that will not have significant adverse impacts on the environment (negative declaration). However, if the Legislature has further environmental concerns regarding this project and needs additional information, the Presiding Officer should remand the case back to the initiating unit for the necessary changes to the project and EAF or submit a resolution authorizing the initiating unit to prepare a draft supplemental environmental impact statement (positive declaration).

WHEREAS, said Findings Statement identified 15 wetlands management Best Management Practices (BMPs) that could be conducted in coastal marshes to further mosquito control purposes; and

WHEREAS, BMPs 1-4 were identified as ongoing marsh maintenance activities which do not require additional environmental review while BMPs 5-15 were identified as more intensive marsh management practices which do require additional environmental review; and

WHEREAS, the proposed marsh restoration project at West Sayville County Park involves BMPs which in accordance with the Long Term Plan Findings Statement require the completion of an Expanded Environmental Assessment Form and a SEQRA determination of significance by the Suffolk County Legislature; now, therefore, be it

1st RESOLVED, that based on the information received and presented, a quorum of the CEQ hereby recommends to the Suffolk County Legislature and County Executive that the proposed activity be classified as a Type I Action under the provisions of Title 6 NYCRR Part 617 and Chapter 450 of the Suffolk County Code; and, be it further

2nd RESOLVED, that based on the information received, a quorum of the CEQ recommends to the Suffolk County Legislature and County Executive, pursuant to Title 6 NYCRR Part 617 and Chapter 450 of the Suffolk County Code, that the proposed project will not have significant adverse impacts on the environment for the following reasons:

1. The proposed action will not exceed any of the criteria in 6 N.Y.C.R.R. § 617.7, which sets forth thresholds for determining significant adverse impacts on the environment, as demonstrated in the Environmental Assessment Form;
2. The proposal does not significantly threaten any unique or highly valuable environmental or cultural resources as identified in or regulated by the Environmental Conservation Law of the State of New York or the Suffolk County Charter and Code;
3. All necessary permits/approvals will be obtained from all applicable State, County, and Town regulatory agencies prior to the commencement of project construction;
4. The proposed project is part of an overall Suffolk County integrated marsh management plan which was evaluated as part of Suffolk County Vector Control and Wetlands Management Long Term Plan and the Long Term Plan's Generic Environmental Impact Statement;
5. The proposed project will help improve the functioning and long term viability of the West Sayville County Park tidal wetlands/marsh system;
6. The proposed project is anticipated to reduce the number of mosquitos breeding in the West Sayville County Park marsh area and as a result the need for vector control mosquito spraying in the marsh area;

3rd RESOLVED, that it is the recommendation of the Council that the Legislature and County Executive adopt a SEQRA determination of non-significance (negative declaration) pursuant to Title 6 NYCRR Part 617.10(d)(3).

RE: Proposed Road Improvements to CR-1 (County Line Road) from the Vicinity of Merrick Road (NYS Route 27A) to the Vicinity of Matthew Drive, Town of Babylon

At its August 16, 2017 meeting, the CEQ reviewed the above referenced matter. Pursuant to Chapter 450 of the Suffolk County Code, and based on the information received, as well as that given in a presentation by Michael Lamberti, Director Preventative Maintenance, Suffolk County Department of Public Works, the Council advises the Suffolk County Legislature and County Executive, in CEQ Resolution No. 40-2017, a copy of which is attached, that the proposed project be considered an Unlisted Action under SEQRA that will not have significant adverse impacts on the environment.

If the Legislature concurs with the Council on Environmental Quality's recommendation that the project will not have a significant adverse impact on the environment, the Presiding Officer should cause to be brought before the Legislature for a vote, a resolution determining that the proposed action is an Unlisted Action pursuant to SEQRA that will not have significant adverse impacts on the environment (negative declaration). However, if the Legislature has further environmental concerns regarding this project and needs additional information, the Presiding Officer should remand the case back to the initiating unit for the necessary changes to the project and EAF or submit a resolution authorizing the initiating unit to prepare a draft environmental impact statement (positive declaration).

Enclosed for your information is a copy of CEQ Resolution No. 40-2017 which sets forth the Council's recommendations. The project EAF and supporting documentation can be viewed online at <http://www.suffolkcountyny.gov/Departments/Planning/Boards/CouncilonEnvironmentalQuality>.

Dennis Brown, Suffolk County Attorney

CEQ RESOLUTION NO. 40-2017, RECOMMENDATION CONCERNING A SEQRA CLASSIFICATION AND DETERMINATION FOR THE PURPOSES OF CHAPTER 450 OF THE SUFFOLK COUNTY CODE FOR THE PROPOSED ROAD IMPROVEMENTS TO CR-1 (COUNTY LINE ROAD) FROM THE VICINITY OF MERRICK ROAD (NYS ROUTE 27A) TO THE VICINITY OF MATTHEW DRIVE, TOWN OF BABYLON

WHEREAS, at its August 16, 2017 meeting, the Suffolk County Council on Environmental Quality (CEQ) reviewed the EAF and associated information submitted by the Suffolk County Department of Public Works; and

WHEREAS, a presentation regarding the project was given at the meeting by Michael Lamberti, Director of Preventative Maintenance, Suffolk County Department of Public Works; and

WHEREAS, the project involves road improvements to CR-1 along an approximately 7,875 feet road length from the vicinity of Merrick Road (NYS Route 27A) to the south and the vicinity of Matthew Drive to the north; and

WHEREAS, there are two intersections along the route, County Road 12 (Oak Street) and NYS Route 27 (Sunrise Highway) where no work will be performed; and

WHEREAS, the improvements, which will be located within the road right-of-way, include replacement of existing drainage catch basins, new sidewalks, curbs and driveway restorations, limited full depth pavement restoration and a final asphalt overlay; now, therefore, be it

1st RESOLVED, that based on the information received and presented, a quorum of the CEQ hereby recommends to the Suffolk County Legislature and County Executive that the proposed activity be classified as an Unlisted Action under the provisions of Title 6 NYCRR Part 617 and Chapter 450 of the Suffolk County Code; and, be it further

2nd RESOLVED, that based on the information received, a quorum of the CEQ recommends to the Suffolk County Legislature and County Executive, pursuant to Title 6 NYCRR Part 617 and Chapter 450 of the Suffolk County Code, that the proposed project will not have significant adverse impacts on the environment for the following reasons:

1. The proposed action will not exceed any of the criteria in Section 617.7 of Title 6 NYCRR which sets forth thresholds for determining significant effect on the environment, as demonstrated in the Environmental Assessment Form;
2. The proposal does not appear to significantly threaten any unique or highly valuable environmental or cultural resources as identified in or regulated by the Environmental Conservation Law of the State of New York or the Suffolk County Charter and Code;
3. The parcel does not appear to suffer from any severe environmental development constraints (limiting soil properties; high groundwater and/or unmanageable slopes);

4. Construction activities will be coordinated with and access will be maintained at all times to the nearby health facilities which include the Bristol Assisted Living Facility at Massapequa, the Broadway Manor Nursing and Rehabilitation Center and the South Oaks Hospital;
5. Construction activities will be coordinated with the Park Avenue Memorial Elementary School to insure that access is maintained at all times and to insure that heavy construction activities do not take place when the school has peak activities scheduled;
6. Trees that are removed due to proposed construction will be replaced with appropriate streetscape trees;
7. The replacement of existing drainage catch basins will help insure proper stormwater drainage along the road corridor;
8. The addition of ADA compliant sidewalks and ramps will improve pedestrian safety and accessibility along the road corridor;

3rd RESOLVED, that it is the recommendation of the Council that the Legislature and County Executive adopt a SEQRA determination of non-significance (negative declaration).

RE: CEQ Review of the Recommended SEQRA Classifications of Legislative Resolutions
Laid on the Table July 25, 2017

At its August 16, 2017 meeting, the CEQ reviewed the above referenced matter. Pursuant to Chapter 450 of the Suffolk County Code, and based on the information received, the Council recommends to the Suffolk County Legislature and County Executive in CEQ Resolution No. 41-2017, a copy of which is attached, that the enclosed lists of legislative resolutions laid on the table July 25, 2017, be classified pursuant to SEQRA as so indicated in the left hand margin. The majority of the proposed resolutions are Type II actions pursuant to the appropriate section of Title 6 NYCRR Part 617.5, with no further environmental review necessary. Unlisted and Type I actions require that the initiating unit of County government prepare an Environmental Assessment Form (EAF) or other SEQRA documentation and submit it to the CEQ for further SEQRA review and recommendations.

Enclosed for your information is a copy of CEQ Resolution No. 41-2017 setting forth the Council's recommendations along with the associated lists of legislative resolutions. If the Council can be of further help in this matter, please let us know.

**CEQ RESOLUTION NO. 41-2017, RECOMMENDATION CONCERNING
SEQRA CLASSIFICATIONS OF LEGISLATIVE RESOLUTIONS LAID ON THE
TABLE JULY 25, 2017, PURSUANT TO CHAPTER 450 OF THE SUFFOLK
COUNTY CODE**

WHEREAS, the legislative packets regarding resolutions laid on the table on July 25, 2017 have been received in the CEQ office; and

WHEREAS, staff has preliminarily reviewed the proposed resolutions and recommended SEQRA classifications; now, therefore, be it

1st RESOLVED, that in the judgment of the CEQ, based on the information received and presented, a quorum of the Council recommends to the Suffolk County Legislature and County Executive, pursuant to Chapter 450 of the Suffolk County Code, that the attached lists of actions and projects be classified by the Legislature and County Executive pursuant to SEQRA as so indicated.
